## Comox Strathcona Garden Education Centre is Open!

Curious about composting? Looking for sustainable gardening tips? Come by to see our compost demos, explore the gardens and ask questions! Open **10 am - 3 pm Thursday to Saturday**, next to St. Peter's Anglican Church in Campbell River.

Drop in at **11:00 am** and **2:00 pm** every **Saturday** for family-friendly workshops! Our on-site educators will be covering a range of topics, including home composting tips, water-wise gardening, and beneficial insects.

No registration is required.

# Shifting to a Mobile Composting Education Model

- Triple the reach within the entire CSWM service area
- Greater alignment with diversion goals
- Focus on direct, community-specific engagement
