Chair and Directors  
Comox Strathcona Regional Hospital District board

I respectfully request the board's consideration of the following:

THAT the Comox Strathcona Regional Hospital District (CSRHD) board write to the Minister of Health, with a copy to the Vice President of Planning and Operations Support, Island Health, to advise that, since the CSRHD has invested 40 per cent of its taxpayers' funds into capital for parking infrastructure at its new hospitals, that the CSRHD expects that any revenue derived from the parking infrastructure will be shared with the CSRHD on a 60/40 per cent basis.

Respectfully,

***B. Leigh***
