

Strategic Planning

Mandate and Options

CSRHD Board – February 27, 2020

Background

- Mandate
 - 40% capital funding partner with Island Health for named acute care facilities
- Legislation
 - *Hospital District Act*
 - Potential for updates
- Advocacy
 - CSRHD acknowledges municipal and regional district role to advocate for community needs

Strategic Planning Process

Backgrounder topics for Strategic Planning Session

Partnering with Island Health for non-acute care facilities

1. Long-term care beds
2. Patient centered integrated primary and community care
3. Residences for out-patient / remote patients and families
4. More specialized care beds (wide range of interests)
5. Other facilities or needs ??
