RE: Commemorative bronze plaque options

Purpose

The purpose of this report is to report back to the committee on direction received from the March 17, 2017 committee meeting as follows:

“THAT staff be directed to report back to the next committee meeting with more sample wording and border options for the bronze plaque.”

Policy analysis

At its March 9, 2017 meeting the CSRHD board ratified the CISC’s resolutions as follows:

“THAT the following principles around the brass plaques concept, as proposed by the CSRHD commemorative items select committee, be approved by the CSRHD board:

- Recognize current hospital board members;
- thank the work of previous boards; community volunteers and staff that helped make the project a reality; and
- potential for artistic elements on the perimeter of the plaques to indicate transition from past to future.”

“THAT the names of the following Alternate Directors who regularly attend the Comox Strathcona regional hospital board meetings be recognized on the North Island hospitals commemorative plaques:

- Alternate Director Kishi for Director Sproule (Village of Cumberland);
- Alternate Director Wright for Director Adams (City of Campbell River);
- Alternate Director Grant for Director Price (Town of Comox); and
- Alternate Director Swift for Director Grant (Town of Comox).”

Executive summary

At this stage it is important to identify wording for the plaques and any other characteristics the plaques should have as the number of words and size of the border may require a changes to size and orientation of the plaque to help balance the inscription. Some sample wording options are provided below for consideration and some options for borders are provided in the appendices.

Sample wording options

Option 1

This plaque was dedicated by the 2017 Comox Strathcona Regional Hospital District board members:

Chair C. Cornfield

J. Abram	N. Anderson
M. Babchuk	J. Colborne
E. Eriksson	M. Grant
E. Grieve	L. Jangula
B. Jolliffe	R. Kerr
